

You've Been MUGGED

Let's begin the school year with a little treat

A 'Hug in a Mug' and a little something sweet.

Someone thought you deserved a welcome back hug

So they filled up with goodies this super cool mug.

Now it's your job to reciprocate

Please do not procrastinate.

Fill this mug with treats and fun

Leave it by their mailbox and run.

Why not begin the year with a hug

By spreading a little love with a mug?

What to do:

Enjoy your treats!

Place the "I've Been Mugged" sign in your mailbox.

Within a few days, refill the mug with goodies and pass it and the envelope to a new person.

If you don't want to participate, place a "no thanks" Card in your mailbox.
